

If this is the second of two lessons for this class, what if anything improved over the first?

Did you do a practice lesson? Who was present? Did the feedback from this practice influence your final lesson plan?

Please list those who observed your class and describe the type of feedback they provided (written, oral, COPUS, etc).

Describe an element of their feedback that you found useful or informative.

Was the lesson videotaped? What did you learn from watching this video?

Please include any other reflections on this experience here.
