

Harvard Medical School Curriculum Fellows Program Professional Development Series

Establishing & Maintaining Mentored Relationships

A workshop for early to mid-career graduate-level mentees in academic mentored relationships. In this workshop, participants will (1) assess their existing mentor support network and (2) devise strategies to establish and maintain mentored relationships while expanding their mentor support network during career development.

**Temperance Rowell, Ph.D.
& Deepali Ravel, Ph.D.**

Harvard/MIT MD-PhD Program & Infectious
Diseases Consortium Curriculum Fellows

DATE: October 6th, 2020

TIME: 4:00 – 5:30pm (ET)

LOCATION: Zoom (link following registration)
